High School Counselor Workshops

So far, we have nearly 450 high school counselors registered to attend the MAFSAP High School Counselor Workshops - and registration is still open for the upcoming workshops! Topics include completing today's FAFSA, What Happens After the FAFSA, comparing financial aid award letters, updates from the Missouri Department of Higher Education (MDHE), and filling financial aid gaps with scholarships and loans.

Times vary by location. High school counselors can register on MASFAP's website at:
